

Jamison

My name is Jamison. I am a 5 year old boxer mix that found my forever home through the HSCC. I spent a year and a half as a foster dog with the HSCC, I was adopted 3 times but returned all 3 times. I really liked my foster home with Lou & Tom McKinney in Rutherford Glen and I did everything I could think of to get back there. Make no mistake, I intended to make my home with the McKinney's and that is what finally happened in September of 2015! It just took them a year to figure out I belonged with them.

I am a very rambunctious boy and I like to do everything at full speed. I have 5 fenced acres to patrol and I make sure there are no varmints invading my space! I absolutely love to hunt for moles, I am a mighty mole hunter! My mom has to fill in the holes I dig but I fix that by digging the holes again! Have to keep those pesky moles under control.

I have a big sister to play with named Bertha and she is the best. She loves to wrestle with me. I also

have 3 cats to chase. I am not allowed to chase the cats when we are inside the house but all bets are off when we are outdoors! Cats don't scare me, well maybe I am bit afraid of Nomad, a big orange tabby cat. Sometimes I won't go inside the house if Nomad is in the doorway, but my mom saves me by standing in front of that bad ass cat. I don't like being hissed at or scratched by those cat claws!

I also have a goat to play with. Her name is Daisy and she doesn't like me very much. I prefer to make Daisy go to her place under the barn. I am a good herder. She sees me and heads under the barn. As she should since I am the boss!

I love to run and I can run like the wind. You should see me chase cars along the fence. No car beats me! I also like to ride in cars with my head hanging out the window.
